

Fill in the gaps

In your brown eyes	If everything was everything but (15)
l walked away	is over
In (1) (2) eyes	Everything could be (16) if
Couldn't stay	(17) we were older
In (3) (4) eyes	Guess its just a (18) (19) about you
You watch her go	And how I (20) you
Turn the (5) on	And (21) (22) eyes
And wonder what went wrong	Everything was everything
What went wrong	But baby its the last show
If everything was everything but everything is over	Everything (23) be everything
Everything (6) be everything if only we	But its (24) to say goodbye so
(7) older	Get your last fix, and your (25) hit
Guess its just a silly (8) about you	Grab (26) old bow (27) your new tricks
And how I (9) you	I mean its no surprise I got lost
And your brown eyes	In your brown eyes
In your brown eyes	In your brown eyes
l was (10) low	(Brooown brooown) eyes
Cause the (11) eyes	Brown eyes
And you (12) know	(Brooown brooown) eyes
Got some brown eyes	Got some broown eyes
But a soft face	(Brooown brooown) eyes
(13) that it was wrong	Brown eyes
So baby (14) the record on	
Play that song
