

Play that song

## Fill in the gaps

| n your brown eyes                                   | if everything was everything but everything is over |
|---|---|
| walked away   | Everything could be everything if only we were olde |
| n your (1) eyes                                     | Guess its just a silly song about you               |
| Couldn't stay                                       | And how I lost you                                  |
| n your brown eyes                                   | And (6) brown eyes                                  |
| ou watch her go                                     | Everything was everything                           |
| Furn the record on                                  | But baby its the (7) show                           |
| And wonder what (2) wrong                           | Everything could be everything                      |
| Vhat went wrong                                     | But its time to say goodbye so                      |
| f everything was everything but everything is over  | Get your last fix, and your last hit                |
| Everything could be everything if only we (3) older | Grab your old bow (8) your new tricks               |
| Guess its just a silly song (4) you                 | I mean its no surprise I got lost                   |
| And how I lost you                                  | In your brown eyes                                  |
| And (5) brown eyes                                  | In your (9) eyes                                    |
| n your brown eyes                                   | (Brooown brooown) eyes                              |
| was feeling low                                     | Brown eyes  |
| Cause the brown eyes                                | (Brooown brooown) eyes                              |
| And you never know                                  | Got some (10) eyes                                  |
| Got some brown eyes                                 | (Brooown brooown) eyes                              |
| But a soft face                                     | Brown eyes  |
| knew that it was wrong                              |   |
| So baby turn the record on                          |   |

- 1. brown
- 2. went
- 3. were
- 4. about
- 5. your
- 6. your
- 7. last 8. with
- 9. brown
- 10. broown
