## Ain't No Rest For The Wicked by Cage The Elephant

I was walking down the street	Money don't grow on trees
When out the corner of my eye	I got bills to pay
I saw a pretty (1) thing approaching me	I got mouths to feed
She said "I've never seen a man	There ain't nothing in this world for free
Who looks so all alone	I (18) I can't slow down
Could you use a little company?	I can't hold back
If you can pay the right price	Though you know, I (19) I could
Your (2) will be nice	Oh no, there ain't no rest for the wicked
And you can go and (3) me on my way"	Until we (20) our eyes for good"
I said "You're such a sweet young thing	
Why you do this to yourself?"	Now a couple hours have passed
She looked at me and this is what she said:	And I was (21) at my house
"Oh, there ain't no rest for the wicked	The day was winding down and coming to an end
Money don't (4) on trees	So I turned on the TV
I got (5) to pay	And flipped it over to the news
I got mouths to feed	And (22) I saw I almost couldn't comprehend
There ain't nothing in (6) world for free	I saw a (23) man in cuffs
I know I can't slow down	He'd taken (24) from the church
I can't hold back	He stuffed his bank account with righteous dollar bills
Though you know, I wish I could	But even still I can't say much
Oh no, (7) ain't no (8) for the wicked	Because I know we're all the same
Until we close our eyes for good"	Oh yes we all seek out to satisfy those thrills
Not even fifteen minutes later	"You know there ain't no rest for the wicked
I'm still walking down the street	Money don't grow on trees
When I saw the shadow of a man creep out of sight	We got bills to pay
And then he (9) up from behind	We got (25) to feed
He put a gun up to my head	There ain't nothing in this world for free
He made it (10) he wasn't looking for a fight	I know we can't (26) down
He said "Give me all you've got	We can't (27) back
I want your money not your life	Though you know, we wish we could
But if you try to (11) a move I won't	Oh no there ain't no rest for the wicked
(12) twice"	Until we close our eyes for good"
I go like "You can have my cash	
But first you know I got to ask	
What (13) you (14) to live this	
(15) of life?"	
He (16) "There ain't no (17) for the	
wicked
