Fill in the gaps

Snow (Hey Oh) by Red Hot Chili Peppers

Come to decide that the (1) that I tried	Running to the field where all my tracks will be concealed
Were in my life just to get high on	And there's nowhere to go
When I sit alone come get a little known	
But I need more than myself this time	When to (8) to amend for a friend
Step from the (2) to the sea to the sky	All the channels that have broken down
And I do believe it, we (3) on	Now you bring it up, I'm gonna ring it up
When I lay it on come get to play it on	Just to hear you sing it out
All my life to sacrifice	Step from the road to the sea to the sky
(Hey oh), listen what I say, (oh)	And I do believe what we rely on
I got your (hey oh), now listen what I say, (oh)	When I lay it on, come get to play it on
When will I know that I really can't go	All my life to sacrifice
To the well once more time to decide on	(Hey oh), listen what I say, (oh)
When it's killing me, when will I really see	I got your (hey oh), listen what I say, (oh)
All that I need to look inside	The more I see, the less I know
Come to believe that I better not leave	The more I like to let it go
Before I get my chance to ride	(Hey oh, whoa)
When it's (4) me, what do I really need	Deep beneath the cover of another perfect wonder
All that I need to look inside	Where it's so (9) as snow
(Hey oh), (5) what I say, (oh)	Privately divided by a world so undecided
Come back and (hey oh), look at what I say, (oh)	And there's nowhere to go
The more I see, the less I know	In between the cover of another perfect wonder
The more I like to let it go	Where it's so white as snow
(Hey oh, whoa)	Running through the field where all my (10)
Deep beneath the cover of another perfect wonder	will be concealed
Where it's so white as snow	And there's nowhere to go
Privately (6) by a world so undecided	I said (hey, hey yeah, oh yeah)
And there's nowhere to go	Tell my love now
In between the cover of another (7) wonder	(Hey, hey yeah, oh yeah)
And it's so white as snow	

- 1. things
- 2. road
- 3. rely
- 4. killing
- 5. listen
- 6. divided
- 7. perfect
- 8. descend
