

## Fill in the gaps

## Nightmare by Avenged Sevenfold

Nightmare!	The price of evil
Now your (1) comes to life	And it hurts to (16) that you belong here, yeah
Dragged ya (2) below	No one to call
Down to the devil's show	Everybody to fear
To be his guest forever	Your tragic fate is (17) so clear, yeah
Peace of mind is (3) (4) never	(Oh) It's your fucking nightmare!!
Hate to (5) mind	Fight! (fight)
But God ain't on your side	Not to fail! (fail)
An old acquaintance severed	Not to fall! (fall)
Burn the world your last endeavor	Or you'll end up like the others
Flesh is burning	Die! (die)
You can smell it in the air	Die again! (die)
Cause men like you have such an easy soul to steal	Drenched in sin! (sin)
So stand in line while (7) ink numbers in your head	With no respect for another
You're now a slave (8) the end of time here	Down! (down)
Nothing stops the madness turning	Feel the fire! (fire)
Haunting, yearning, pull the trigger!	Feel the hate! (hate)
You should have known	Your pain is what we desire
The price of evil	Lost! (lost)
And it hurts to know (9) you belong here, yeah	Hit the wall! (wall)
(Oh) It's (10) fucking nightmare!	Watch you crawl! (crawl)
Now your (11) comes to life	Such a replaceable liar
Can't wake up and sweat	And I know you hear their voices (calling from above)
Cause it ain't over yet	And I (18) they may seem real (these
Still dancing with your demons	(19) of love)
Victim of your own creation	But a life's (20) up of (21) (some
Beyond the will to fight	without appeal)
Where all that's wrong is right	They took for granted your soul
Where hate don't need a reason	And it's (22) now to steal
Loathing self-assassination	As your nightmare comes to life
You've been lied to (12) to (13) you of	You (23) have known the price of evil
(14) site	And it hurts to know (24) you (25)
And now they have the nerve to tell you how to feel	here, yeah
So sedated as (15) medicate your brain	No one to call
And while ya slowly go insane they tell you	Everybody to fear
Given with the best intentions	Your (26) is looking so clear,
Help you with your complications	yeah
You should have known	(Oh) it's your fucking nightmare!
