

The sins of our young

Fill in the gaps

God bless us everyone	No!
We're a broken people living under loaded gun	And when I close my eyes tonight
And it can't be outfought	To symphonies of (5) light
It can't be outdone	God save us everyone
It can't outmatched	Will we burn inside the fires of a thousand suns?
It can't be outrun, no!	Oh!
God bless us everyone	Like memories in cold decay
We're a broken people living under loaded gun	Transmissions echoing away
And it can't be outfought	Far (6) the world of you and I
It can't be outdone	Where oceans bleed into the sky
It can't outmatched	Like memories in cold decay
It can't be outrun	Transmissions echoing away
No!	Far from the world of you and I
And when I close my eyes tonight	Where oceans bleed into the sky
To symphonies of blinding light	Lift me up
God bless us everyone	Let me go
We're a broken people living under loaded gun	Lift me up
Oh!	Let me go
Like (1) in cold decay	Lift me up
Transmissions echoing away	Let me go
Far (2) the world of you and I	Lift me up
Where oceans bleed into the sky	Let me go
God save us everyone	Lift me up
Will we burn (3) the fires of a thousand suns?	Let me go
For the sins of our hand	Lift me up
The sins of our tongue	
The sins of our father	God bless us everyone
The sins of our young	We're a (7) people (8)
No!	(9) loaded gun
God save us everyone	And it can't be outfought
Will we burn inside the (4) of a thousand suns?	It can't be outdone
For the sins of our hand	It can't outmatched
The sins of our tongue	It can't be outrun
The sins of our father	

Fill in the gaps

- 1. memories
- 2. from
- 3. inside
- 4. fires
- 5. blinding
- 6. from
- 7. broken
- 8. living
- 9. under
