

Fill in the gaps

(Oooooon, oooooon, ney!)	I want you to know
It's seventy two degrees, zero chance of rain	The morning's on (21) way
It's been a perfect day	Our friends all say goodbye
We're all spinning on our heels, so far (1) from real	There's nowhere else to go
In California, (hey)	I hope (22) you'll stay the night
We (2) the sunset from our car, we all took	(Ooooooh)
it in	You'll stay the night
And by the (3) that it was dark	(Ooooooh yeah)
You and me had something, (yeah)	Just like the song on our radio set
And if this is what we've got	We'll share the shelter of my single bed
Then what we've got is gold	But (23) a different tune that's stuck in my
We're (4) bright and I (5) you	head
I want you to know	And it goes
The morning's on it's way	If (24) is what we've got
Our friends all say goodbye	Then what (25) got is gold
There's (6) to go	We're (26) bright and I want you
I hope that (8) (9) the night	I want you to know
(Ooooooh)	The morning's on it's way
You'll (10) the night	Our friends all say goodbye
(Ooooooh yeah)	There's nowhere else to go
We've been (11) Billie Jean	I hope that you'll stay the night
Mixin' vodka (12) caffeine	If this is (27) we've got
We've got strangers (13) by	Then what we've got is gold
And though you're out of tune	We're shining bright and I want you
Girl you (14) my mind, you do	I want you to know
And I'll say I don't wanna say good night	The morning's on it's way
There's no quiet corner to get to know each other	Our friends all say goodbye
And there's no hurry (15) a patient man	There's nowhere else to go
ls (16) discover	I hope that you'll stay the night
Cause if this is what we've got	
Then (17) (18) got is gold	
We're (19) and I want
