Nothin' On You by B.o.B. & Bruno Mars

Beautiful girls all over the world	You're my Wonder Woman, call me Mr. Fantastic
I could be chasing	Stop, now think about it
But my time would be wasted	I've been to London, I've been to Paris
They got nothing on you, baby	Even way out there in Tokyo
Nothing on you, baby	Back home down in Georgia, to New Orleans
I know you feel where I'm coming from	But you always steal the show
Regardless of the (1) in my past that I've	And just like that girl, you got me froze
done	Like a Nintendo 64
Most of it (2) was for the hell of the fun	If you never knew, well, now you know, know, know
On a carousel, so around I spun	Beautiful girls all over the world
With no direction, just tryna get some	I could be chasing
Tryna chase skirts, living in the summer sun	But my time would be wasted
And so I lost more than I had ever won	They got nothing on you, baby
And honestly, I (3) up with none	Nothing on you, baby
It's so much nonsense	They might say hi
It's on my conscience	And I might say hey
I'm (4) "maybe I should get it out"	But you shouldn't worry
And I don't wanna sound redundant	About what they say
But I was wondering	Cuz they got nothing on you, baby
If there was something (5) you wanna know	Nothing on you, baby
But never mind that we should let it go	Everywhere I go
Cause we don't wanna be a TV episode	I'm always hearing (8) name
And all the bad thoughts, (6) let em go, go, go	And no matter where I'm at
Beautiful girls all over the world	Girl you make me wanna sing
I could be chasing	Whether a bus or a plane
But my time would be wasted	Or a car, or a train
They got nothing on you, baby	No other girl's on my brain
Nothing on you, baby	And you the one to blame
They might say hi	Beautiful girls all over the world
And I might say hey	I could be chasing
But you shouldn't worry	But my time would be wasted
About what they say	They got nothing on you, baby
Cuz they got nothing on you, baby	Nothing on you, baby
Nothing on you, baby	They might say hi
Hands down, there will never be another one	And I might say hey
I've (7) around, and I've never seen another one	But you shouldn't worry
Because your style, I 'aint really got nothin' on	About (9) they say
And you wild when you 'aint got nothin' on?	Cuz (10) got nothing on you
Baby you the whole package	
Plus you pay your taxes
