## Nothin' On You by B.o.B. & Bruno Mars

Beautiful girls all over the world	You're my Wonder Woman, call me Mr. Fantastic
I could be chasing	Stop, now (15) it
But my time would be wasted	I've (17) to London, I've been to Paris
They got nothing on you, baby	Even way out there in Tokyo
Nothing on you, baby	Back home down in Georgia, to New Orleans
I know you (1) (2) I'm coming from	But you (18) steal the show
Regardless of the things in my past that I've done	And just like (19) girl, you got me froze
Most of it really was for the hell of the fun	Like a Nintendo 64
On a carousel, so around I spun	If you (20) knew, well, now you know, know,
With no direction, just tryna get some	know
Tryna chase skirts, (3) in the	Beautiful girls all over the world
(4) sun	I could be chasing
And so I lost more than I had ever won	But my (21) would be wasted
And honestly, I ended up with none	They got nothing on you, baby
It's so (5) nonsense	Nothing on you, baby
It's on my conscience	They might say hi
I'm thinking "maybe I should get it out"	And I (22) say hey
And I don't (6) sound redundant	But you shouldn't worry
But I was wondering	About what (23) say
If there was something that you wanna know	Cuz they got nothing on you, baby
But never mind that we should let it go	Nothing on you, baby
Cause we don't wanna be a TV episode	Everywhere I go
And all the bad thoughts, just let em go, go, go	I'm always hearing your name
Beautiful (7) all over the world	And no matter where I'm at
I could be chasing	Girl you (24) me wanna sing
But my time (8) be wasted	Whether a bus or a plane
They got nothing on you, baby	Or a car, or a train
Nothing on you, baby	No (25) girl's on my brain
They might say hi	And you the one to blame
And I might say hey	Beautiful girls all over the world
But you shouldn't worry	I could be chasing
About (9) (10) say	But my time would be wasted
Cuz they got nothing on you, baby	They got nothing on you, baby
Nothing on you, baby	Nothing on you, baby
Hands down, there will never be another one	They might say hi
I've (11) around, and I've never seen another one	And I might say hey
Because your style, I 'aint really got nothin' on	But you shouldn't worry
And you (12) when you 'aint got nothin' on?	About what they say
Baby you the whole package	Cuz they got (26) on you
Plus you pay your taxes	
And you (13) it real, while (14) others
