Fill in the gaps

Think the clouds are clogging up my brain	Cold
Like the weather drain same as the tears on my face	I'm boarding up the windows
And I'm stuck up in the storm	Locking up my heart
, I guess I'll be alright	It's like every time the wind blows
Oh (uh oh uh oh)	I feel it tearing us apart
Oh oh (uh oh uh oh)	Every time he smiles
Then it hits me like	I let him in again
Oh (uh oh uh oh)	Everything is fine
Oh no (uh oh uh oh uh oh)	When you're standing in the eye of the hurricane
And all that wind that swept me off my feet	Here comes the sun, here comes the rain
Got me flying till I'm crying	Standing in the eye of the hurricane
And I'm down on my knees	Here comes the sun, here comes the rain
