

## Fill in the gaps

So tired, (1) of these drama	No more pain (no more pain)
No more, no more	No more game (no more game messin with my mind)
I wanna be free	No drama (no more drama in my life)
I'm so tired, so tired	No one's gonna make me hurt again
Broken heart again	No more tears (no more tears, I'm (6) of cryin
Another lesson learn	everynight)
Better know your friends	No (7) fears (no more fears, I really don't wanna
Or else you will get burn	cry)
Gotta (2) on me	No drama (no more (8) in my life)
Cause I can guarantee	I don't ever wanna hurt again
That I'll be fine	Wanna speak my mind, wanna speak my mind
No (3) (4) (no more pain)	Uh, it feel so good
No more pain (no more pain)	When you let go
No drama (no more drama in my life)	Of all the drama in your life
Noone's (5) make me hurt again	Now you're free from all the pain
Why'd I play the fool	Free from all the game
Go through ups and downs	Free from all the stress
Knowin' all the time	So bye your happiness
You wouldn't be around	I don't know
Well maybe I like the stress	Only God knows where the story ends
Cause I was young and restless	For me, but I know (9) the story begins
But there was long ago	It's up to us to choose
I don't wanna cry no more	Whether we win or loose
	And I choose to win
