

## Fill in the gaps

Please understand	I'm empty (12) the need to
This isn't just goodbye	Curse my enemies forever
This is I can't (1) you	Let's slit our (13) and burn down something
This is (2) the road crashed into the ocean	beautiful
It (3) all around me	This desperation leaves me overjoyed
And now we're barely breathing	With (14) lights that (15) us
A thousand (4) we'll choose to ignore	(16) the lives that we destroy
Curse my enemies forever	Curse my (17) forever
Let's slit our (5) and burn down something	Let's slit our wrists and burn down something beautiful
beautiful	This desperation is (18) me overjoyed
This desperation leaves me overjoyed	With fading lights that lead us (19) the
With (6) (7) (8)	(20) that we destroy
lead us past the lives that we destroy	Please understand
I listen to you cry	Lay rotting where I fall
A cry for less attention	I'm dead from bad intentions
But both my hands are tied	Suffocated and embalmed
And I'm pushed into the deep end	And now all our dreams are cashed in
I listen to you talk but talk is cheap	You swore you wouldn't lose then (21)
And my mouth is filled (9) blood	(22) brain
From trying not to speak	You make a (23) that (24)
So (10) for an excuse	(25) pain
And someone to (11) you	So please understand
In foreign dressing rooms	This isn't just goodbye
	This is I can't stand you
