No It Isn't by Plus 44

Please understand
This isn't just goodbye
This is I can't stand you
This is where the road crashed into the ocean
It rises all around me
And now we're barely breathing
A thousand faces we'll choose to ignore
Curse my enemies forever
Let's slit our (1)_____ and burn down something
beautiful
This desperation leaves me overjoyed
With fading lights (2)_____ lead us past the lives
(3)_____ we destroy
I (4)_____ to you cry
A cry for less attention
But both my hands are tied
And I'm pushed into the deep end
I listen to you talk but talk is cheap
And my (5)_____ is filled with blood
From trying not to speak
So search for an excuse
And someone to (6)_____ you
In foreign dressing rooms

I'm empty with the need to
Curse my enemies forever
Let's (7)_____ our wrists and burn down something
beautiful
This desperation leaves me overjoyed
With fading lights that lead us past the lives that we destroy
Curse my (8)_____ forever
Let's slit our wrists and burn down something beautiful
This desperation is leaving me overjoyed
With (9)_____ lights that lead us past the lives that
we destroy
Please understand
Lay rotting where I fall
I'm dead from bad intentions
Suffocated and embalmed
And now all our dreams are cashed in
You swore you wouldn't lose then lost your brain
You make a sound that feels like pain
So please understand
This isn't just goodbye
This is I can't stand you
