Leave Before The Lights Come On by Arctic Monkeys

Well this is a good idea	Oh, he had a struggle
He wouldn't do it if it wasn't	And you woke up (5) not quite realising
He wouldn't do it if it wasn't one	how
Well my (1) fancies you	Oh, but he's stretching and yawning
Oh, what a way to begin it all	It's always hard in the morning
You said it's always exciting words to hear	And I (6) that's the price you pay
And we (2) up together not quite realizing how	Oh, it isn't (7) it was
Awkwardly stretching and yawning	She's thinking he looks different today
It's always hard in the morning	And oh there's nothing left to guess now
And I suppose that's the (3) you pay	Quick, let's leave, before the (8) (9)
Oh, it isn't what it was	on
She's thinking he looks different today	'Cos then you don't have to see
And oh there's nothing left to guess now	'Cos then you don't have to see, what you've done
You left before the lights came on	Quick, let's leave, before the lights come on
Because you didn't want to ruin	'Cos then you don't have to see
What it was that was brewing	'Cos then you don't have to see, (10) you've done
Before he absolutely had to	I'll walk you up, what time's the bus come?
And how can you (4) up	I'll walk you up, what time's the bus come?
With someone you don't love?	
And not feel slightly fazed by it
