

Fill in the gaps

Leave Before The Lights Come On by Arctic Monkeys

Well this is a (1) idea	Oh, he had a struggle
He wouldn't do it if it wasn't	And you woke up together not quite
He wouldn't do it if it wasn't one	(13) how
Well my (2) you	Oh, but he's stretching and yawning
Oh, what a way to (4) it all	It's always (14) in the morning
You (5) it's always (6) words	And I suppose that's the price you pay
to hear	Oh, it isn't (15) it was
And we woke up together not (7) realizing how	She's (16) he (17)
Awkwardly stretching and yawning	(18) today
It's always hard in the morning	And oh there's (19) left to guess now
And I (8) that's the price you pay	Quick, let's leave, before the (20) come on
Oh, it isn't (9) it was	'Cos then you don't have to see
She's thinking he looks different today	'Cos then you don't (21) to see, (22)
And oh there's nothing left to (10) now	you've done
You left before the (11) came on	Quick, let's leave, (23) the lights
Because you didn't want to ruin	(24) on
What it was (12) was brewing	'Cos then you don't (25) to see
Before he absolutely had to	'Cos then you don't have to see, (26) you've done
And how can you wake up	I'll walk you up, what time's the bus come?
With someone you don't love?	I'll walk you up, what time's the bus come?
And not feel slightly fazed by it	

SUB inglés

- 1. good
