## Leave Before The Lights Come On by Arctic Monkeys

Well this is a good idea	Oh, he had a struggle
He wouldn't do it if it wasn't	And you (6) up together not quite realising how
He wouldn't do it if it wasn't one	Oh, but he's stretching and yawning
Well my friend fancies you	It's always hard in the morning
Oh, what a way to begin it all	And I suppose that's the price you pay
You said it's always exciting (1) to hear	Oh, it isn't what it was
And we (2) up together not quite realizing how	She's thinking he (7) different today
Awkwardly (3) and yawning	And oh there's nothing left to guess now
It's always hard in the morning	Quick, let's leave, before the lights (8) on
And I suppose that's the price you pay	'Cos then you don't have to see
Oh, it isn't what it was	'Cos then you don't have to see, what you've done
She's thinking he looks different today	Quick, let's leave, before the lights come on
And oh there's nothing left to guess now	'Cos then you don't have to see
You left before the lights came on	'Cos then you don't have to see, (9) you've done
Because you didn't want to ruin	I'll walk you up, what time's the bus come?
What it was (4) was brewing	I'll walk you up, what time's the bus come?
Before he absolutely had to	
And how can you wake up	
With (5) you don't love?	
And not feel slightly fazed by it
