Too Afraid To Love You by The Black Keys

My gears (1) grind	All those sleepless nights
More each day	And all those wasted days
And I feel like	I (4) (5) would leave me
They're gonna grind away	But I think he's here to stay
And the city blocks	What more can I do
They (2) me wild	l'm (6) (7) dry
They're never ending	And I can't (8) to lose
Mile after mile	One (9) teardrop from my eye
I just don't know what to do	I'm too afraid
I'm too afraid to love you	I'm too afraid
It's heaven on earth	I just don't know what to do
In her embrace	With myself
And her smiling face	Thinking all the (10) in you
I'm (3) one wishing	Don't know what to do
That I was a pair	Don't know what to do
With someone	Drivin me outta my mind
(Oh) somewhere	
I just don't know what to do
