

(Uh oh..., uh oh...)

## Fill in the gaps

Can you feel the urgency?	
Like a needle pulling out	Staring at the clock
Can you (1) the urgency?	I (5) each tick and tock
Pulses of anxiety	And they whisper that I lost the race
We're (2) faces in the crowd	But I won't fucking stop
Pulses of anxiety(oh)	I'll hold you by my side
Are (3) the (4) that we've been	I (6) you here to fight
taught to believe?	Cause' if we're gonna' lose this thing
Are these the lives that we have opted to lead?	Then we're goin' out in style
(Uh oh, uh oh)	Staring at the clock
	I hear each tick and tock
Staring at the clock	And they (7) that I lost the race
I hear each tick and tock	But I won't fucking stop
And they whisper that I lost the race	I'll hold you by my side
But I won't fucking stop	You know I need you here to fight
I'll hold you by my side	Cause' if we're gonna' (8) this thing
I need you here tonight	Then we're goin' out in style
Cause' if we're gonna' lose this thing	Staring at the clock
Then we're goin' out in style	I hear (9) tick and tock
Time will replace reality	And they whisper that I lost the race
Now we are peaking through the hours	But I won't fucking stop
Time will replace reality	I'll hold you by my side
So I grasp for sanity	You know I (10) you here to fight
I refuse to be devoured	Because if we're gonna' lose this thing
So I grasp for sanity	Then we're goin' out in style
Are these the lies that were taught to believe?	
Are these the lives we have opted to lead?
