## Live A Little by Gym Class Heroes

(Uh oh..., uh oh...)

## Fill in the gaps

Can you feel the urgency?	
Like a needle pulling out	Staring at the clock
Can you feel the urgency?	I hear each tick and tock
Pulses of anxiety	And they whisper that I lost the race
We're just (1) in the crowd	But I won't fucking stop
Pulses of anxiety(oh)	I'll hold you by my side
Are these the lies that we've been taught to believe?	I need you (6) to fight
Are these the lives that we have (2) to lead?	Cause' if we're gonna' lose this thing
(Uh oh, uh oh)	Then we're goin' out in style
	Staring at the clock
Staring at the clock	I hear each tick and tock
I hear each tick and tock	And they whisper that I lost the race
And they whisper that I lost the race	But I won't fucking stop
But I won't fucking stop	I'll hold you by my side
I'll hold you by my side	You (7) I need you here to fight
I need you here tonight	Cause' if we're gonna' lose this thing
Cause' if we're gonna' lose this thing	Then we're goin' out in style
Then we're goin' out in style	Staring at the clock
Time will (3) reality	I hear each tick and tock
Now we are (4) through the hours	And they whisper that I lost the race
Time will (5) reality	But I won't fucking stop
So I grasp for sanity	I'll (8) you by my side
I refuse to be devoured	You know I need you (9) to fight
So I grasp for sanity	Because if we're gonna' lose this thing
Are these the lies that were taught to believe?	Then we're goin' out in style
Are these the lives we have opted to lead?
