Can you feel the urgency? Like a needle pulling out Staring at the clock Can you feel the urgency? I hear each tick and tock Pulses of anxiety And they whisper that I lost the race We're just faces in the crowd But I won't fucking stop Pulses of anxiety...(oh) I'll hold you by my side Are these the lies (1)_____ we've been taught to I (7)_____ you here to fight Cause' if we're gonna' lose this thing Are these the lives that we (2)_____ opted to lead? Then we're goin' out in style (Uh oh..., uh oh...) Staring at the clock I hear each tick and tock And they (8)_____ that I lost the race Staring at the clock I hear (3)_____ tick and tock But I won't fucking stop And they whisper that I lost the race I'll hold you by my side But I won't fucking stop You know I need you here to fight I'll hold you by my side Cause' if we're gonna' lose (9)_____ thing I need you (4)_____ tonight Then we're goin' out in style Cause' if we're gonna' lose this thing Staring at the clock Then we're goin' out in style I hear each tick and tock Time will replace reality And they whisper that I lost the race Now we are peaking through the hours But I won't fucking stop Time will replace reality I'll hold you by my side So I grasp for sanity You know I need you here to fight I refuse to be devoured Because if we're gonna' lose this thing So I grasp for sanity Then we're goin' out in style Are these the lies that were taught to believe? Are (5)_____ the lives we (6)____ opted to lead? (Uh oh..., uh oh...)
