

## Fill in the gaps

I remember black skies
The lightning all around me
I remember each flash
As time began to blur
Like a (1) sound
That fate had finally (2) me
And (3) voice is all I heard
That I get what I deserve
So give me reason
To prove me wrong
To wash this memory clean
Let the thoughts cross
The distance in your eyes
Now give me reason
To fill this hole
Connect the space between
Let it fill up
To reach the truths and lies
Across this new divide
There was nothing (4) inside
The memories left abandoned
There was (5) else to hide
Te ashs fell (6) snow
And the ground caved in
Between where we were standing
And your voice is all I heard
That I get (7) I deserve

So give me reason
To prove me wrong
To (8) this memory clean
Let the thoughts cross
The distance in (9) eyes
Across this new divide
And every loss and every lie
And every (10) that you deny
And each regret and each goodbye
Was a mistake too great to hide
And your voice is all I heard
That I get what I deserve
So give me reason
To prove me wrong
To wash this memory clean
Let the thoughts cross
The distance in your eyes
Give me reason
To fill this hole
Connect the space between
Let it fill up
To reach the truths and lies
Across this new divide
Across this new divide
Across this new divide
