I remember black skies	So give me reason
The (1) all (2) me	To prove me wrong
I remember each flash	To wash this memory clean
As time (3) to blur	Let the (15) cross
Like a (4) sound	The distance in (16) eyes
That fate had finally found me	Across this new divide
And your voice is all I heard	And (17) loss and (18) lie
That I get what I deserve	And every truth that you deny
So give me reason	And (19) regret and (20) goodby
To (5) me wrong	Was a mistake too great to hide
To (6) this (7) clean	And your (21) is all I heard
Let the thoughts cross	That I get what I deserve
The distance in (8) eyes	So give me reason
Now give me reason	To prove me wrong
To (9) this hole	To wash (22) (23) clean
Connect the space between	Let the thoughts cross
Let it fill up	The (24) in (25) eyes
To (10) the truths and lies	Give me reason
Across (11) new divide	To fill (26) hole
There was nothing left inside	Connect the (27) between
The memories left abandoned	Let it fill up
There was nothing (12) to hide	To reach the truths and lies
Te (13) fell like snow	Across this new divide
And the ground caved in	Across this new divide
Between where we (14) standing	Across this new divide
And your voice is all I heard	
That I get what I deserve
