Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our (1)_____ combined like
A (2)_____ star collision
I have nothing left to lose
You took your time to choose
Then we told (3)_____ other
With no trace of fear that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our (4)_____ would be forever
The world is broken
Halos fail to glisten
You try to (5)_____ a difference
But no one (6)_____ to listen
Hail, the preachers, fake and proud
Their doctrines will be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got (7)_____ left to lose
You take your (8)_____ to choose
I can tell you now without a trace of fear
That my love (9)_____ be forever
And we'll die, we'll die together
Lie, I will never
'Cause our (10)_____ will be forever
