Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts combined like
A neutron star collision
I have (1)_____ left to lose
You took your (2)_____ to choose
Then we told each other
With no trace of fear that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our love would be forever
The world is broken
Halos fail to glisten
You try to make a difference
But no one (3)_____ to listen
Hail, the preachers, (4)_____ and proud

Their doctrines (5)_____ be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love (6)_____ be forever
Now I've got (7)_____ (8)_____ to lose
You take your (9)_____ to choose
I can tell you now without a (10)_____ of fear
That my love will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our love will be forever
