Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our (1)_____ combined like
A neutron star collision
I have nothing left to lose
You took your time to choose
Then we told each other
With no trace of (2)_____ that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our love would be forever
The world is broken
Halos (3)_____ to glisten
You try to make a difference
But no one wants to listen
Hail, the preachers, fake and proud

Their doctrines (4)_____ be cloud
Then they'll dissipate
Like (5)_____ in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got (6)_____ left to lose
You take your time to choose
I can tell you now without a (7)_____ of fear
That my love will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our love will be forever
