

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)_____ on a mission

Then our (2)_____ combined like

A (3)_____ star collision

I have nothing (4)_____ to lose

You (5)_____ your time to choose

Then we told each other

With no trace of fear that...

Our love would be forever

And if we die, we die together

And lie, I said never

'Cause our love would be forever

The world is broken

Halos fail to glisten

You try to make a difference

But no one wants to listen

Hail, the preachers, fake and proud

Their doctrines will be cloud

Then they'll dissipate

Like (6)_____ in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our love (7)_____ be forever

Now I've got nothing (8)_____ to lose

You take your time to choose

I can tell you now without a trace of fear

That my love will be forever

And we'll die, we'll die together

Lie, I will never

'Cause our love will be forever

Fill in the gaps

Answer

1. were
2. hearts
3. neutron
4. left
5. took
6. snowflakes
7. could
8. left
