Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts combined like
A (1)_____ star collision
I have nothing (2)_____ to lose
You took your time to choose
Then we told each other
With no (3)_____ of fear that...
Our love would be forever
And if we die, we die together
And lie, I (4)_____ never
'Cause our love would be forever
The world is broken
Halos fail to glisten
You try to (5)_____ a difference
But no one wants to listen
Hail, the preachers, (6)_____ and proud

Their doctrines will be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got (7)_____ left to lose
You take your (8)_____ to choose
I can tell you now without a trace of fear
That my love will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our (9)_____ will be forever
