Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts (1)_____ like
A (2)_____ star collision
I have nothing left to lose
You took (3)_____ (4)_____ to choose
Then we told (5)_____ other
With no trace of (6)_____ that...
Our love (7)_____ be forever
And if we die, we die together
And lie, I said never
'Cause our (8)_____ (9)_____ be forever
The (10)_____ is broken
Halos (11)_____ to glisten
You try to (12)_____ a difference
But no one (13)_____ to listen
Hail, the preachers, (14)_____ and proud
Their doctrines (15)_____ be cloud
Then they'll dissipate
Like (16)_____ in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our (17)_____ could be forever
Now I've got nothing left to lose
You (18)_____ (19)_____ time to choose
I can (20)_____ you now (21)_____ a trace of fear
That my love will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our love will be forever

Fill in the gaps

Answer

1. combined
