

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)_____ on a mission

Then our hearts combined like

A (2)_____ (3)_____ collision

I (4)_____ nothing (5)_____ to lose

You (6)_____ your (7)_____ to choose

Then we told (8)_____ other

With no (9)_____ of fear that...

Our (10)_____ (11)_____ be forever

And if we die, we die together

And lie, I said never

'Cause our love (12)_____ be forever

The world is broken

Halos (13)_____ to glisten

You try to make a difference

But no one wants to listen

Hail, the preachers, fake and proud

Their (14)_____ (15)_____ be cloud

Then they'll dissipate

Like (16)_____ in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our (17)_____ (18)_____ be forever

Now I've got nothing left to lose

You take (19)_____ (20)_____ to choose

I can tell you now (21)_____ a trace of fear

That my (22)_____ (23)_____ be forever

And we'll die, we'll die together

Lie, I will never

'Cause our (24)_____ will be forever

Fill in the gaps

Answer

1. were
