Neutron Star Collision (Love Is Forever) by Muse

I was searching	Their doctrines will be cloud
You were on a mission	Then they'll dissipate
Then our (1) combined like	Like snowflakes in an ocean
A neutron star collision	Love is forever
I have nothing (2) to lose	And we'll die, we'll die together
You (3) your (4) to choose	And lie, I say never
Then we (5) other	'Cause our love could be forever
With no trace of (7) that	Now I've got nothing left to lose
Our (8) be forever	You (14) time to choose
And if we die, we die together	I can tell you now (16) a (17)
And lie, I (10) never	of fear
'Cause our love (11) be forever	That my love (18) be forever
The (12) is broken	And we'll die, we'll die together
Halos fail to glisten	Lie, I (19) never
You try to make a difference	'Cause our love (20) be forever
But no one wants to listen
