Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts combined like
A neutron star collision
I (1)_____ nothing left to lose
You (2)_____ (3)_____ time to choose
Then we told each other
With no trace of fear that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our love would be forever
The world is broken
Halos fail to glisten
You try to make a difference
But no one (4)_____ to listen
Hail, the preachers, fake and proud
Their doctrines (5)_____ be cloud
Then they'll dissipate
Like (6)_____ in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got nothing left to lose
You take your time to choose
I can (7)_____ you now without a trace of fear
That my love will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our (8)_____ (9)_____ be forever
