

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts (1)_____ like
A neutron (2)_____ collision
I have nothing left to lose
You took your time to choose
Then we (3)_____ each other
With no (4)_____ of fear that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our love would be forever
The world is broken
Halos fail to glisten
You try to make a difference
But no one wants to listen
Hail, the preachers, fake and proud

Their doctrines (5)_____ be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got nothing left to lose
You (6)_____ your (7)_____ to choose
I can tell you now without a trace of fear
That my love (8)_____ be forever
And we'll die, we'll die together
Lie, I will never
'Cause our (9)_____ will be forever

Fill in the gaps

Answer

1. combined
2. star
