Guiding Light by Muse

Fill in the gaps

Impure hearts stumble
In my hands they crumble
And fragile and (1) to the core
I can't (2) you anymore
Loved by numbers
You're (3) life's wonder
Touch like strangers detached
I can't (4) you anymore
There's sunshine trapped in our hearts
It could rise again
But I'm lost, and crushed, and cold, and confused
With no guiding light left inside
You were my (5) light
And comfort and warmth can't be found
I still reach for you
But I'm lost, and crushed, and cold, and confused
With no guiding (6) left inside
You're my (7) light
You're my guiding light
And there's no (8) light left inside

There's no guiding light in our lives
