

## Fill in the gaps

I try to picture the girl	Oh my, the (13) in my mind
Through a looking glass	Is this assembly (14) of gratitude
And see her as a carbon atom	Practicing their loving for you
See her eyes and stare back at them	Live high, live mighty
See that girl	Live righteously
As her own new world	Taking it easy
Though a (1) is on the surface, she is	Live high, live mighty
(2) a universe	(Ooh) Live righteously
Glory God, oh God is peeking through the blinds	And sing it out
Are we all here standing naked	And just take it easy
Taking guesses at the actual date and time	And (15) the malleable reality
Oh my, justifying reasons why	You see nothing is (16) as it seems
Is an absolutely insane resolution to (3) by	Yeah, (17) life is but a dream
Live high, (4) mighty	
Live righteously	Live high, live high, live mighty (18) mighty
Taking it easy	00
Live high, live mighty	Live righteously
Live righteously	And (19) it easy
I try to (5) the man	Live high, (20) mighty
To (6) have an open hand	(Ooh) (21) righteously
And see him as a (7) tree	Just take, (22) just, (23) it easy
See him as matter	Live high, (24) mighty, mighty
Matter fact he's not a beast	Live righteously
Oh no not the (8) either	Taking it easy
Always a good deed doer	Live high, live mighty
And it's laughter that we're making (9) all	(Ooh) (25) righteously
The call of the (10) is (11) an	Let's take it easy
ordination why	
And the (12) of the primates	
All our politics are too late
