

Fill in the gaps

I try to picture the girl		Oh my, the congregation in my mind	
Through a looking glass		Is this (8)	singing of gratitude
And see her as a (1)	atom	Practicing their loving for yo	ou
See her eyes and stare (2)	at them	Live high, live mighty	
See that girl		Live righteously	
As her own new world		Taking it easy	
Though a home is on the surface, she is still a universe		Live high, live mighty	
Glory God, oh God is peeking through the blinds		(Ooh) Live righteously	
Are we all here (3)	naked	And sing it out	
Taking guesses at the actual date and time		And just take it easy	
Oh my, justifying (4)	why	And celebrate the malleable reality	
Is an absolutely (5)	resolution to live by	You see nothing is ever as it seems	
Live high, live mighty		Yeah, this life is but a dream	
Live righteously			
Taking it easy		Live high, live high, live mighty mighty mighty, oo	
Live high, live mighty		Live righteously	
Live righteously		And taking it easy	
I try to picture the man		Live high, live mighty	
To (6) have an open hand		(Ooh) (9) righteously	
And see him as a giving tree		Just take, just just, take it easy	
See him as matter		Live high, live mighty, mighty	
Matter fact he's not a beast		Live righteously	
Oh no not the devil either		Taking it easy	
Always a good deed doer		Live high, live mighty	
And it's laughter (7) w	e're making after all	(Ooh) (10) righte	eously
The call of the wild is still an ordin	nation why	Let's take it easy	
And the order of the primates
