Through The Fire And The Flames by DragonForce

| On a cold winter morning, in the time before the light | Running back through the mid-morning light |
|--|---|
| In flames of death's eternal reign we ride (1) | There's a burning in my heart |
| the fight | We're banished from the time in the fallen land |
| And the darkness is falling down | To a light (15) the stars |
| And the times are tough all right | In the blackest dreams we do believe |
| The sound of evil laughter (2) around the world | Our destiny this time |
| tonight | And endlessly we'll all be free tonight |
| Fighting high, fighting on for the steel | And on the wings of a dream so far beyond reality |
| Through the wastelands evermore | All alone in desperation now the time is gone |
| The scattered souls (3) feel the hell bodies | Lost inside you'll (16) find Lost |
| Wasted on the shores | (17) my own mind |
| On the blackest waves in hells domain | Day after day this misery must go on |
| We watch them as they go | So far away we wait for the day |
| Through fire, pain and once (4) we know | For the (18) source so (19) and |
| So now we fly (5) free | gone |
| We're (6) before the thunderstorm | We feel the pain of a (20) lost in a |
| On towards the wilderness our (7) | (21) days |
| (8) on | Through the fire and the flames we carry on |
| Far beyond the sundown, far beyond the moonlight | Now here we stand with (22) blood on our hands |
| Deep inside our hearts and all our souls | We fought so hard now can we understand |
| So far away we (9) for the day | I'll break the seal of this curse if I possibly can |
| For the light source so (10) and gone | For (23) of every man |
| We feel the pain of a (11) lost in a | So far (24) we wait for the day |
| thousand days | For the light source so wasted and gone |
| Through the fire and the flames we (12) on | We feel the pain of a (25) lost in a |
| As the red day is dawning | (26) days |
| And the lightning (13) the sky | Through the fire and the flames we carry on |
| They raise their hands to the (14) above | |
