## Through The Fire And The Flames by DragonForce

On a cold winter morning, in the time before the light	Running back through the mid-morning light
In flames of death's eternal reign we ride towards the fight	There's a burning in my heart
And the darkness is falling down	We're banished from the time in the fallen land
And the times are tough all right	To a light beyond the stars
The sound of evil laughter falls around the world tonight	In the (4) dreams we do believe
Fighting high, fighting on for the steel	Our destiny this time
Through the (1) evermore	And endlessly we'll all be free tonight
The scattered souls will feel the hell bodies	And on the wings of a dream so far beyond reality
Wasted on the shores	All alone in desperation now the time is gone
On the blackest waves in (2) domain	Lost inside you'll never find Lost within my own mind
We watch them as they go	Day after day this misery (5) go on
Through fire, (3) and once again we know	So far away we (6) for the day
So now we fly ever free	For the light source so wasted and gone
We're free before the thunderstorm	We feel the (7) of a lifetime lost in a
On towards the wilderness our quest carries on	(8) days
Far beyond the sundown, far beyond the moonlight	Through the fire and the flames we carry on
Deep inside our hearts and all our souls	Now here we stand with their (9) on our hands
So far away we wait for the day	We fought so hard now can we understand
For the light source so wasted and gone	I'll break the seal of this curse if I possibly can
We feel the pain of a lifetime lost in a thousand days	For freedom of every man
Through the fire and the flames we carry on	So far away we wait for the day
As the red day is dawning	For the light source so wasted and gone
And the lightning cracks the sky	We feel the pain of a lifetime lost in a thousand days
They raise their hands to the heavens above	Through the fire and the flames we carry on
