

## Fill in the gaps

Once (1) a time	Sorry the frustration's got me feeling away
We (2) not to say goodbye	And I just keep having one last (14) to say
Something got a hold of us and we changed	And I (15) (16) hold you, touch you
Then you sat alone in pride	feel you
And I sat at (3) and cried	Be (17) you
How'd our fairy tale just end up (4) way	I miss you, baby, baby, baby (baby, baby, baby)
We went round for (5) (6) we	I'm (18) of trying to (19) through
(7) love out	But there's nothing I can do
We (8) laying in the ring not making a sound	Boy I can't wait to hate you
And if that's a (9) of you and I	I can't wait to (20) you
Why is it so hard to say goodbye	Make you pain like I do
I can't (10) to hate you	Still can't (21) you off
Make you pain like I do	I can't wait to breakthrough
Still can't shake you off	These emotional changes
I can't wait to breakthrough	Seems like such a (22) 'cause
These emotional changes	I can't wait to face you
Seems like (11) a lost cause	Break you down so low
I can't wait to face you	There's no place left to go
Break you (12) so low	I can't wait to hate you, baby
There's no place left to go	I can't wait to h-a-t-e you
I can't wait to hate you	'Cause right now I need you
No need to (13) my phone	()
'Cause I changed my number today	
And matter fact, I think I'm moving away (away)
