

It's all love, you know

## Fill in the gaps

From Jamaica to the world		It's all love
It's just love, It's just love		From I and I to everyone
Why most the (1)	play in the street	We got to love
Broken arms can fade the dreams		But we got to love, yeah
Peace on earth to everyone that you meet		There's no need to cry (oh)
Don't you worry, it could be so sweet		We got to love
Just look to the rainbow you will see		But we got to love, yeah
The sun will shine 'till eternity		Gotta live, gotta love (haha)
I've got so much (2) in my heart		You (5) what I'm talking about
No one can (3) it apart, yeah		Come on
Feel the love generation		Feel the love generation
Yeah, yeah, yeah		Yeah, yeah, yeah
Feel the love generation		Feel the (6) generation
Come on, come on, yeah		Come on, come on, yeah
Feel the love generation		Feel the (7) generation
Yeah, yeah, yeah		Yeah, yeah, yeah
Feel the love generation		Feel the (8) generation
Oh yeah		Come on, come on, (9) on
Don't worry about a thing		Feel the love generation
Gonna be all right		(Oh) yeah, yeah, as I love you know
Don't worry about a thing		Feel the love generation
Gonna be alright		We got to love
Don't worry about a thing		But we got to love
Gonna be alright		But we got to love, yeah
Gonna be, gonna, gonna, (4) be alright		

## 1. children
