That I love you?

Fill in the gaps

You're The Reason (Acoustic) by Victoria Justice

I don't (1) to make a scene	You're the only reason that I'm not (6) to fly
I don't want to let you down	And it's crazy
Try to do my own thing	That someone could change me
And I'm starting to figure it out	Now no matter (7) it is I have to do
That it's alright	I'm not afraid to try
Keep it together wherever we go	And you (8) to know that you're the reason
And it's alright, oh well, whatever	Why
Everybody needs to know	If it was raining, you (9) yell at the sun
You (2) be crazy	Pick up the pieces when the (10) is done
Have I (3) you lately	You say it's just another day in the shade
That I love you?	Look at what a mess we made
You're the only reason that I'm not afraid to fly	You might be crazy
And it's crazy	Have I told you lately
That someone could change me	That I love you?
Now no matter what it is I have to do	You're the only reason that I'm not afraid to fly
I'm not afraid to try	You might be crazy
And you need to know that you're the reason	Have I told you lately
Why	That I love you?
I don't even care when (4) say	You're the only reason that I'm not afraid to fly
You're a (5) bit off	And it's crazy
Look me in the eye, I say	That someone could change me
I could never get enough	Now no matter what it is I have to do
'Cause it's alright	I'm not afraid to try
Keep it together wherever we go	And you need to know that you're the reason
And it's alright, oh well, whatever	Why
Everybody needs to know	I don't want to make a scene
You might be crazy	I don't want to let you down
