

## Fill in the gaps

## You're The Reason (Acoustic) by Victoria Justice

I don't want to make a scene	You're the only (12) that I'm not
I don't (1) to let you down	(13) to fly
Try to do my own thing	And it's crazy
And I'm (2) to figure it out	That someone (14) change me
That it's alright	Now no matter what it is I have to do
Keep it together (3) we go	I'm not afraid to try
And it's alright, oh well, whatever	And you (15) to know that you're the reason
Everybody needs to know	Why
You (4) be crazy	If it was raining, you would yell at the sun
Have I (5) you lately	Pick up the pieces (16) the damage is done
That I love you?	You say it's just (17) day in the shade
You're the only reason that I'm not afraid to fly	Look at (18) a mess we made
And it's crazy	You might be crazy
That someone could change me	Have I told you lately
Now no (6) what it is I (7) to do	That I love you?
I'm not afraid to try	You're the only (19) (20) I'm not
And you need to know (8) you're the reason	(21) to fly
Why	You might be crazy
I don't even care when (9) say	Have I told you lately
You're a little bit off	That I love you?
Look me in the eye, I say	You're the only reason (22) I'm not
I could never get enough	(23) to fly
'Cause it's alright	And it's crazy
Keep it together (10) we go	That someone could change me
And it's alright, oh well, whatever	Now no matter what it is I have to do
Everybody needs to know	I'm not afraid to try
You might be crazy	And you need to (24) (25) you're the
Have I told you lately	reason
That I (11) you?	Why
	I don't want to (26) a scene
	I don't (27) to let you down
