

Fill in the gaps

__ I

I used to think one day we'd tell the story of us	And we're not speaking
How we met and the sparks (1) instantly	And I'm dying to know
And people would say they're the lucky ones	Is it killing you like it's killing me? yeah
I used to know my place was the spot next to you	I don't know what to say since a twist of fate
Now I'm searching the room for an empty seat	When it all broke down
'Cause lately I don't even know what page you're on	And the story of us looks a lot like a tragedy now
(Oh) a simple complication	This is looking like a contest
Miscommunications lead to fallout	Of who can act like they care less
So many things that I wish you knew	But I liked it better when you (4) on my side
So many walls up I can't break through	The battle's your (5) now
Now I'm standing alone in a crowded room	But I would lay my armor down
And we're not speaking	If you said you'd rather love than fight
And I'm dying to know	So (6) things (7) you (8)
Is it killing you like it's killing me? yeah	knew
I don't (2) what to say since a twist of fate	But the story of us might be ending soon
When it all broke down	Now I'm standing alone in a crowded room
And the story of us looks like a lot like a tragedy now	And we're not speaking
Next chapter	And I'm dying to know
How'd we end up this way?	Is it killing you like it's killing me? yeah
See me nervously pulling at my clothes	And I don't know what to say (9) a twist of fate
And trying to look busy	When it all broke down
And you're doing your best to avoid me	And the (10) of us
I'm starting to think one day	Looks like a lot like a tragedy now, now, now
I'll tell the story of us	And we're not speaking
How I was losing my mind when I saw you here	And I'm dying to know
But you (3) your pride	Is it killing you like it's killing me? yeah
Like you should have held me	I don't know what to say since a twist of fate
(Oh) I'm scared to see the ending	'Cause we're going down
Why are we pretending this is nothing?	And the story of us
I'd tell you I miss you but I don't know how	Looks a lot like a tragedy now
I've never heard silence quite this loud	The end
Now I'm standing alone in a crowded room
