

Now I'm standing alone in a crowded room

Fill in the gaps

I used to think one day we'd (1) the story of us	And we're not speaking
How we met and the sparks flew instantly	And I'm (17) to know
And people would say they're the lucky ones	Is it killing you like it's killing me? yeah
I used to know my place was the spot next to you	I don't (18) to say since a
Now I'm searching the (2) for an (3)	(20) of fate
seat	When it all (21) down
Cause lately I don't even know what page you're on	And the story of us (22) a lot like a tragedy now
(Oh) a (4) complication	This is looking like a contest
Miscommunications (5) to fallout	Of who can act like they care less
So many things that I wish you knew	But I liked it better (23) you were on my side
So many walls up I can't (6) through	The battle's your hands now
Now I'm standing alone in a crowded room	But I would lay my armor down
And we're not speaking	If you said you'd rather love than fight
And I'm dying to know	So many things that you wish I knew
ls it (7) you like it's killing me? yeah	But the story of us might be (24) soon
I don't know what to say since a twist of fate	Now I'm standing alone in a crowded room
When it all broke down	And we're not speaking
And the (8) of us looks like a lot like a tragedy	And I'm dying to know
now	Is it killing you like it's killing me? yeah
Next chapter	And I don't know what to say (25) a twist of fate
How'd we end up (9) way?	When it all broke down
See me nervously (10) at my clothes	And the story of us
And trying to look busy	Looks like a lot like a tragedy now, now, now
And you're doing your best to avoid me	And we're not speaking
I'm starting to think one day	And I'm dying to know
I'll tell the (11) of us	Is it killing you like it's (26) me? yeah
How I was losing my mind when I saw you here	I don't (27) what to say since a (28)
But you held your pride	of fate
Like you (12) have (13) me	'Cause we're going down
(Oh) I'm (14) to see the ending	And the story of us
Why are we (15) this is nothing?	Looks a lot like a tragedy now
I'd tell you I miss you but I don't (16) how	The end
I've never heard silence quite this loud
