The Story Of Us by Taylor Swift

Now I'm standing alone in a crowded room

Fill in the gaps

I used to think one day we'd tell the story of us	And we're not speaking
How we met and the sparks (1) instantly	And I'm dying to know
And people would say they're the lucky ones	Is it killing you like it's killing me? yeah
I used to know my place was the spot next to you	I don't know what to say (7) a twist of fate
Now I'm searching the room for an empty seat	When it all broke down
'Cause (2) I don't even know what page	And the story of us looks a lot (8) a tragedy now
you're on	This is looking like a contest
(Oh) a (3) complication	Of who can act like they care less
Miscommunications lead to fallout	But I liked it (9) when you were on my side
So many things that I wish you knew	The battle's your hands now
So many walls up I can't break through	But I would lay my armor down
Now I'm standing alone in a crowded room	If you said you'd rather love than fight
And we're not speaking	So many things that you wish I knew
And I'm dying to know	But the story of us might be ending soon
Is it killing you like it's killing me? yeah	Now I'm standing alone in a crowded room
I don't know what to say since a twist of fate	And we're not speaking
When it all broke down	And I'm dying to know
And the story of us looks like a lot like a tragedy now	Is it killing you like it's killing me? yeah
Next chapter	And I don't know what to say since a twist of fate
How'd we end up this way?	When it all broke down
See me nervously pulling at my clothes	And the story of us
And trying to look busy	Looks like a lot like a tragedy now, now, now
And you're (4) your best to avoid me	And we're not speaking
I'm starting to think one day	And I'm dying to know
I'll tell the (5) of us	Is it killing you like it's killing me? yeah
How I was (6) my mind when I saw you here	I don't know what to say since a twist of fate
But you held your pride	'Cause we're going down
Like you should have held me	And the story of us
(Oh) I'm scared to see the ending	Looks a lot (10) a tragedy now
Why are we pretending this is nothing?	The end
I'd tell you I miss you but I don't know how	
I've never heard silence quite this loud
