Fill in the gaps

Everything Has Changed by Taylor Swift & Ed Sheeran

All I knew this (1) when I woke	I just want to know you know you (20) you
Is I know something now	'Cause all I know is we said "hello"
Know something now I didn't before	And your eyes look like coming home
And all I've (2) since eighteen hours ago	All I know is a simple name
Is (3) eyes and (4) and	Everything has changed
your smile	All I know is you held the door
In the back of my mind making me feel like	You'll be mine and I'll be yours (oh)
I just want to know you better know	All I (21) since yesterday
You better know you better now	Is (22) has changed
I (5) want to know you better know	Come back and tell me why
You (6) you better now	I'm feeling like I've missed you all this time
I (8) want to know you better know	(Oh, oh, oh)
You better know you (9) now	And meet me there tonight
I just want to know you (10) you know you	Let me know that it's not all in my mind
'Cause all I know is we said "hello"	I just (23) to know you better know
And your eyes (11) like (12) home	You better now you better now
All I know is a simple name	I (24) want to know you know you know you
Everything has changed	All I know is we said "hello"
All I (13) is you held the door	Your eyes (25) like coming home
You'll be mine and I'll be yours (oh)	All I know is a simple name
All I know (14) yesterday	Everything has changed
Is everything has changed	All I know is you held the door
And all my walls stood tall, painted blue	You'll be mine and I'll be yours
I'll take 'em down, take 'em down	All I know since yesterday
And open up the door for you	Is everything has changed
And all I feel	All I know is we said "hello"
In my stomach is butterflies	So dust off your highest hopes
The beautiful kind	All I know is pouring rain
Makin' up for lost time	And everything has changed
Takin' flight making me feel like	All I (26) is a new found grace
I just want to know you better know	All my days I'll know your face
You better know you better now	All I know since yesterday
I just want to know you (15) know	Is everything has changed
You (16) (17) you better now	
I just want to (18) you better know	
You better (19) you better now
