You better know you better now

Fill in the gaps

Everything Has Changed by Taylor Swift & Ed Sheeran

All I knew this morning when I woke	I just want to know you know you know you
s I know something now	'Cause all I know is we said "hello"
Know something now I didn't before	And your eyes look (5) coming hom
And all I've seen since eighteen hours ago	All I know is a simple name
s green eyes and freckles and your smile	Everything has changed
n the back of my mind making me feel like	All I know is you held the door
just want to know you better know	You'll be mine and I'll be yours (oh)
ou better know you better now	All I know (6) yesterday
just want to know you better know	Is everything has changed
ou better know you (1) now	Come back and tell me why
just (2) to know you better know	I'm feeling like I've missed you all this time
ou better know you better now	(Oh, oh, oh)
just want to know you know you know you	And meet me there tonight
Cause all I know is we said "hello"	Let me know that it's not all in my mind
And your eyes look like coming home	I just want to know you better know
All I know is a simple name	You better now you better now
Everything has changed	I just want to know you know you know you
All I know is you held the door	All I (7) is we said "hello"

And all my walls stood tall, painted blue	All I know is you held the door
'll take 'em down, (3) 'em down	You'll be (8) and I'll be yours
And open up the door for you	All I know since yesterday
And all I feel	Is everything has changed
n my stomach is butterflies	All I know is we (9) "hello"
The beautiful kind	So (10) off your highest hopes
Makin' up for lost time	All I know is pouring rain
「akin' flight making me feel like	And everything has changed
just want to know you better know	All I know is a new found grace
