

Fill in the gaps

	With you today
I'm (1) years old	I have an excellent father
It's getting (2) out I got	His (15) is making me stronger
My big coat on	God smiles on my little brother
I hear your laugh and look up smiling at you	Inside and out he's better than I am
I run and run	I (16) up in a (17) house
Past the pumpkin patch	And I had space to run and I
And the (3) rides, look now	Had the best days with you
The sky is gold	There is a video I found from back when
I hug your legs and fall asleep	I was three
On the way home	You set up a paint set in the (18) and
I (4) (5) why	you're
All the trees change in the fall	Talking to me
I (6) you're not scared of anything at all	Its the age of princesses and pirate ships
Don't know if (7) White's house is near or far away	And the seven dwarfs
But I (8) I had the best day	And Daddy's (19) and you're the
With you today	(20) lady in
I'm thirteen now	The (21) world
And dont know how my friends	And now I know why
Could be so mean	All the trees change in the fall
I (9) home crying and you hold me tight	I know you were on my side
And grab the keys	Even when I was wrong
And we drive and drive	And I (23) you for giving me your eyes
Until we (10) a town far enough away	Staying back and watching me shine and
And we (11) and window shop 'til I've forgotten	I didn't (24) if you knew
All their names	So I'm taking (25) to say
I don't know who I'm (12) talk to now at school	That I had the (27) day
I know I'm laughing on the car ride home with you	With you
Don't know how (13) it's gonna take to	Today
(14) ok	
But I know I had the best day
