

Fill in the gaps

I'm Only Me When I'm With You by Taylor Swift

Friday night (1) the stars	You say (16) you can't (17) without me
In a (2) behind your yard	I'm only up when you're not down
You and I are painting (3) in the sky	Don't (18) fly if you're still on the ground
And sometimes we don't say a thing	It's (19) no matter (20) I do
Just listen to the crickets sing	Well, you drive me crazy (21) the time
Everything I need is (4) (5) by my	The other (22) I'm only trying
side	To let you (23) that what I feel is true
And I (6) everything (7) you	And I'm only me when I'm with you
I don't wanna (8) (9) you	When I'm with anybody else
I'm only up when you're not down	It's so hard to be myself
Don't wanna fly if you're still on the ground	And only you can see
It's like no matter what I do	That I'm only up (24) you're not down
Well, you drive me crazy half the time	Don't (25) fly if you're still on the ground
The (10) half I'm (11) trying	It's like no (26) what I do
To let you know that what I feel is true	Well, you drive me crazy half the time
And I'm only me when I'm with you	The other half I'm only trying
Just a small town boy and girl	To let you (27) that what I feel is true
Livin' in a crazy world	And I'm only me, who I wanna be
Tryin' to (12) out what is and isn't true	Well, I'm only me when I'm (28) you
And I don't try to (13) my tears	With you
The secrets all my deepest fears	
Through it all nobody gets me (14) you do	
And you (15) everything about me
