

Fill in the gaps

I remember your (1) feet	And whispered in your ear
Down the hallway	Come on baby with me
I remember your little laugh	We're gonna fly away
Race (2) on the kitchen floor	From here
Plastic dinosaurs	Out of this curtained room
I (3) you to the moon and back	And this hospital gray
I remember your blue eyes	We'll just disappear
Looking into mine	Come on baby with me
Like we had our own (4) club	We're (15) fly away
I remember you dancing	From here
Before bedtime	You were my best four years
Then jumping on me waking me up	And (16) if I'm standing in you closet
I can still (5) you hold my hand	Trying to talk to you
Little man	And what if I kept the hand-me-downs
And (6) the moment I knew	You won't (17) into
You fought it hard like an army guy	And what if I really thought (18) miracle
Remember I	Would see us through
Leaned in and whispered to you	But (19) the miracle was
Come on baby with me we're gonna fly away	Even getting one (20) with you
From here	Come on baby with me
You where my best four years	We're (21) fly away
I remember the drive home	From here
When the blind hope	Come on (22) with me
Turned to (7) and (8)	We're (23) fly away
why	From here
Flowers pile up in the worst way	You (24) my (25) four years
No one knows (9) to say	I (26) your bare feet
About a beautiful boy who died	Down the hallway
And it's about to be halloween	I love you to the moon and back
You (10) be anything	
You wanted if you were (11) here	
I (12) the (13) day	
When I (14) your face
