I remember your bare feet	And whispered in (8) ear
Down the hallway	Come on baby (9) me
I remember your little laugh	We're gonna fly away
Race cars on the kitchen floor	From here
Plastic dinosaurs	Out of this curtained room
I love you to the moon and back	And this hospital gray
I remember your blue eyes	We'll just disappear
Looking (1) mine	Come on baby with me
Like we had our own secret club	We're gonna fly away
I remember you dancing	From here
Before bedtime	You were my best four years
Then jumping on me (2) me up	And what if I'm standing in you closet
I can (3) feel you hold my hand	Trying to talk to you
Little man	And what if I kept the hand-me-downs
And even the moment I knew	You won't grow into
You fought it (4) like an army guy	And what if I really thought some miracle
Remember I	Would see us through
Leaned in and whispered to you	But maybe the miracle was
Come on baby (5) me we're gonna fly away	Even (10) one moment with you
From here	Come on baby with me
You where my best (6) years	We're gonna fly away
I remember the drive home	From here
When the blind hope	Come on baby with me
Turned to crying and screaming why	We're gonna fly away
Flowers pile up in the worst way	From here
No one knows what to say	You were my best four years
About a beautiful boy who died	I remember your bare feet
And it's about to be halloween	Down the hallway
You could be anything	I love you to the moon and back
You wanted if you were still here	
I remember the last day
